NOTICE TO CUSTOMERS

Not less than 6 of a variety will be supplied at the dozen rate, nor less than 25 of a variety at 100 rate, nor less than 250 of a variety at 1,000 rate.

All goods are carefully packed in boxes or other suitable packages, for which I make a charge sufficient to cover cost of material used.

After delivering to the forwarders, all goods are entirely at the risk of the purchaser, and if any loss or delay occurs, the forwarders alone must be held responsible.

I can ship directly to your customers under your tags. This often saves time and unnecessary expense.

Please give explicit shipping directions, stating whether goods are to be shipped by express, freight or parcel post.

Customers desiring stock shipped C. O. D. must remit one-fourth of the amount of purchase when ordering, to guarantee acceptance.

At the prices quoted, purchasers pay transportation charges.

Claims, if any, must be made promptly on receipt of goods, when they will be carefully examined, and, if just, all made satisfactory. Claims made after ten days from receipt of goods will not be entertained.

Prices named in this Wholesale Price-List apply only to orders placed by nurserymen, florists, seedsmen, landscape gardeners and dealers. These prices cancel all previous offers. Anything offered in my Retail Catalogue and not offered in this Wholesale Price-List will be supplied to the Trade at a discount of 20 per cent from the prices quoted in the Retail Catalogue.

I warrant all stock true to name, with the express understanding and agreement with the purchaser that, should any prove not true to name, I will return the money paid, or will replace with other stock; but it is mutually agreed between the purchaser and myself that I shall not under any circumstances be held responsible for a greater amount than the original price of the stock.

Terms of Payment. I offer the usual terms to those of known responsibility, but must have satisfactory business references from others or cash must accompany order. If references are sent, sufficient time must be allowed to investigate same.

When cash is sent with order, I allow a discount of three per cent. and free boxing and packing.

HARDY PERENNIAL FLOWER PLANTS

Strong Field-Grown Plants of Blooming Size.

	Doz.	100
ACHILLEA. (Milfoil).		
Ageratum. Brilliant yellow. July and August.
